## PRINCIPAL'S MESSAGE

### International Pi Day

Congratulations to Year 9 student Tiani Hogan who was able to recite 65 decimal places of Pi. Second place went to Year 7 Brigette Bishop for her impressive attempt of close to 50. A Happy Pi Day for everyone.

On Friday, 8th March, Jordan Steel and Kal Pritchard (both in Year 11) attended the Council launch of a new campaign called Talking Future Tourism. The aim of this campaign is to get the community talking about the challenges and issues Tourism brings to the Byron Shire community, as well as the positive points like jobs and economic growth.

The discussion was hosted by Tania Crosbie, Council's Economy and Sustainability Coordinator.

The students were engaged in a discussion about the campaign and what it's all about and were then asked to join a discussion on one aspect of tourism and their experiences.

At the conclusion of the campaign, Council will review all of the opinions and input from the community and this will guide the development of their next long-term 10 year tourism management plan, now called a Sustainable Visitation Strategy.

On Tuesday night we will be hosting the P&C network meeting at the high school. This meeting brings together P&C representatives from all our feeder primary schools to discuss common issues, share ideas and plan for the future.

## BEACH SOUNDS ALL AGES MUSIC FESTIVAL SAT 30 MARCH 2019 SPONSORSHIP PROPOSAL

Lennox Groove is a music business created in 2016 by then 15 year old music fan Benjamin Luke. Ben's main goal was to bring great live and original music to his hometown Lennox Head and surrounds.

He made good on that goal by launching Beach Sounds Music Fest in July of 2017 which was a huge success. His co-promoters for the event were Matt, Mike, Scott and Fraser who are the members of highly successful Lennox Head indie rock band WHARVES

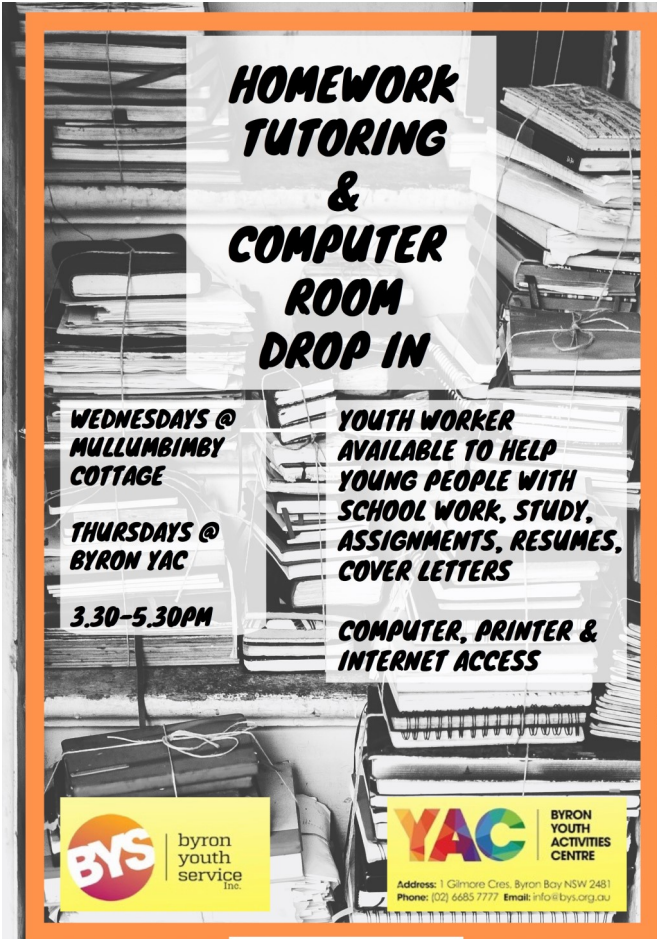

Beach Sounds then grew further in 2018 with a bigger 13 band line up and a massive night of successful music and a large number of happy patrons keen to see local and upcoming Australian touring acts.

Beach Sounds is back for 2019 and we invite you to consider sponsoring the event. Here are the details and what you will get from being involved.
