MESSAGE FROM THE PRINCIPAL

As I walk around our school I am constantly reminded of what a great school it is due to so many wonderful students and such a committed staff.

I took our Director Megan Johnson on a tour of our school on Thursday and in just one hour we saw so many great things happening. Firstly visited the Muggi Culture Deadly Futures which we hosted. The three day event where many feeder primary and MHS students worked together to learn a lot more about our local Aboriginal culture, history and language. A huge thank you to Scottie Sentence our Aboriginal Educational Officer and the MHS Aboriginal Education team, local Elder Uncle Ethal for doing Welcome to Country and the numerous MHS and feeder primary school staff in addition to many community members who helped run the amazing activities for three days. Other great things happening in the tour were: Year 11 Drama preparing to perform 'A Midsummer Night's Dream', choir practice, MHS has an excellent young choir who will back up the drama production, the hospitality class making chocolate croissants, Year 7 Art producing excellent drawings of birds, our new recording studio in full swing enabling our students to record their musical master pieces, the Special Education unit in full swing where our students always feel supported and happy, a girls gymnastics display in the school hall, just to mention a few.

I have been talking to students about our subsidised bus travel being for students to get from home to school and therefore once off the bus they are to enter the school grounds immediately and not venture elsewhere. We will be monitoring this carefully. School uniform is improving and we thank you for supporting us to ensure our students are dressed well in full school uniform to maintain our school pride and an excellent school tone.

Mr Carlos Fratti organised 28 Year 9 and 10 students to attend the Engineering and Science Competition at Southern Cross University last week where they came 6th place. Congratulations to all these students and thank you to Mr Fratti.

Rachelle Dean and Jennifer Lindsay collaborating writing new English units to be used in the future focused lessons where they employ exciting pedagogy/teaching and learning for students in their senior English lessons. Rachelle and Jenny are a credit to our profession and our students will certainly benefit from their expertise and willingness to embrace up to date teaching practice.

- Greg Armstrong, PRINCIPAL

SECOND HAND UNIFORMS

Kindly drop off any second-hand uniforms to the attention of Ms Bub-Connor.

Our uniform swap strategy enables any student who is out of uniform (for any reason) to go to the uniform room in Student Services in the morning before CARE and change into a clean uniform for the day. They can then pick up their non-uniform clothes at the end of the day. Thank you for your help.

P&C Notes

Murder on the Orient Express – Friday 9 August – Save the date!

Don your most elegant evening wear and join us on Friday 9 August at Brunswick Picture House for the mystery thriller, *Murder on the Orient Express* (2017 version). This is a Mullum High P&C event to raise funds for an outdoor performance space, and to celebrate Education Week. Supper, warm beverages and sweet treats will be available on the night, as well as raffle and lucky seat prizes. A night to celebrate public education and the place of our school in the wider community.

An invitation to sponsor the event

We invite you and your business to become a sponsor of the event through a cash donation or through an in-kind donation of a prize/voucher for the raffle we will be running through Education Week, to be drawn on the night. Sponsors are eligible for two free tickets to the evening, promotion in the school newsletter, mention in all publicity for the event, including on the promotional poster, and logo (for sponsorships of \$100 or more) or listing (for sponsorships under \$100) projected on the big screen before the film.
